## BLUE STAR WINDOWS PLUS

### Why it's a better cleaner

- Streak-free Shine.
- VOC Free.
- No Solvents or Ammonia.
- Fast Evaporating.
- Safe on Plastics.
- Biodegradable.

### How it cleans

GLASS (LARGE WINDOWS, DOORS, & DISPLAY CASES):

1. Spray on generous amount of cleaner. One entire pane of glass should be washed at a time, starting from the bottom up. Scrub as necessary to remove soils.
2. Remove soil with squeegee from top down.
3. Wipe excess solution from the window seal and frame.

TOUCH-UP:

1. Apply solution directly to the spot or area to be cleaned.
2. Wipe solution and soil from surface with a clean paper or lint-free cloth towel.

For general cleaning, ready-to-use BLUE STAR WINDOWS PLUS is in its own dispenser bottle. Attach trigger device, adjust the nozzle, and spray.

### Where it cleans

- Windows
- Mirrors
