KENNEL KLEANZ *HC*

Why it's a better cleaner

- One gallon makes 256 gallons of cleaning solution.
- Kills Parvo, H1N1, MRSA and more.
- Cleans floors, crates & cages, tabletops, walls, etc.
- Disinfects and cleans clipper blades and electric shears.
- Deodorizes carpet and litter boxes.
- No rinsing necessary.

How it cleans

GENERAL DISINFECTION: Apply a use solution of 1/2 oz. / gallon of water . Treated surfaces must remain wet for 10 minutes. Wipe surfaces and let air dry. ** For use against rabies and Parvo virus, a use solution of 2 oz. / gallon of water is required.
